1.Reservation of Training Places:-

- a) In respect of each of the states specified in column (2) of the Schedule - IIA training places shall be reserved by the employer for the Schedule Castes and Scheduled Tribes in every designated trade so that the ratio of the apprentices belonging to the Scheduled Castes and Scheduled Tribes to the total number of apprentices in such designated trade or trades shall be specified in columns (3) and (4) of the said Schedule (and where there is more than one designated trade in an establishment such training places shall be reserved also on the basis of total number of apprentices in all designated trades in such establishments). Provided that when the prescribed number of persons belonging either to the Scheduled Castes or to the Scheduled Tribes are not available, the training places so reserved for them may be filled by persons belonging to the Scheduled Tribes or as the case may be, to the Scheduled Caste and if the prescribed training places can not be filled even in the above given manner, then the training places so lying unfilled may be filled by persons not belonging to the Scheduled Castes or the Scheduled Tribes.

As per the Schedule-IIA (Rule-5) of Apprentice Act Rules, 1992 reservation shall be maintained in the ratio of 1::16 to Scheduled Caste and 1::32 to the Scheduled Tribe.

- b) The training places for the Other Backward Classes in designated trades shall be reserved by the employer according to the prescribed norms followed in the respective State or Union territory and if training places cannot be filled from the Other Backward Classes, then the training places so lying unfilled may be filled by persons not belonging to the Other Backward Classes

As per the Recruitment Regulations-2004 of TSRTC, item No.12, 25% reservation shall be maintained for Backward Classes.

2. Number of posts mentioned above are provisional. They may vary upwards or downwards.

3. EDUCATIONAL QUALIFICATIONS :

- a) Candidates possessing qualification of B.E./B.Tech in any discipline Engineering are eligible.
- b) Candidates possessing qualification of Diploma in any discipline Engineering conducted by the Department of Technical Education or its equivalent qualification in the same discipline are eligible.
